Under 15's 2023 Premiers

# ONE TEAM, ONE GOAL

# WELCOME

The Renmark Rovers Football Club Inc. would like to extend a warm welcome to all of our current, and hopefully a few new, sponsors and supporters for the approaching 2024 season. You are an extremely important part of the successes we have enjoyed as a Football Club and we acknowledge that we cannot achieve the level that we aspire to without your support.

The Board of the Renmark Rovers Football Club Inc. pride ourselves on getting the right people into the important roles at our Club. We see this as an obligation to everyone involved with our Club. Whether that be as a player, a Coach, support staff, supporter or as a valued sponsor, if we get this right at our Club the benefits will be there for everyone involved to enjoy.

We are fortunate to have available to us some of the best facilities in Country SA and believe we are well positioned to provide excellent exposure opportunities to you as a sponsor of our Club. With recent upgrades to our oval lighting, Bar facilities and air-conditioning, we can provide an ideal location for all sponsors to improve their network and benefit from the valuable exposure we can offer in our new sponsor pack.

We look forward to discussing sponsorship opportunities with you and with your support, look forward to another successful season in 2024.

On the football front for 2024 we have the reappointment of 'Three time' Premiership Coach, Josh Vater at the helm of our senior squad. Josh and his group of chargers will be going all out to make amends this coming season and they have already started their preparations for the 2024 campaign.

Add to that the retention of 'The Woolford Brothers' – Matt, Tim and Dan. The return to the Club of former Renmark Junior and Central Districts League player, Nick Gillard, together with our young and now more experienced members from our 2019, 2021 and 2022 Premiership groups.....it makes for an exciting season ahead.

Aaron Camplin and Paul Hooper are again our 'A grade Reserves' and Under 18's coaches respectively for 2024 and we thank them for their ongoing commitment to the Rovers. Both Aaron and Paul earned the utmost respect from their playing groups in 2023 and provide a sound foundation for continued success in season 2024.

For our Under 15's we welcome back to the Rovers coaching staff ex senior coach and premiership player, Matt Martinson. Welcome back Matt! The under 15's are extremely fortunate to have a coach with Matt's credentials and experience guiding them.

We also welcome back past player, Troy Britton, who will be coaching and mentoring our Under 13's for season 2024. Many thanks to Troy for taking on this very important Junior Development role at the Rovers.

Our AUSKICK programme is the envy of Country SA with huge involvement in all age groups. This is where our future stars come from and is where many of our current senior players started their football journey at Renmark. Luch Albanese and Sam Sever have again volunteered to take care of our youngest members at the kennel.

Women's football is something that we fully support. Limited player numbers is however a big stumbling block in seeing women's football grow and prosper in the Riverland Football League. We are still seeking interest from players but have Brett Blackwell on board ably helped by ex SANFWL Player Ash James to Coach the Women's team this year and we look forward to seeing the girls out there in force.

I look forward to seeing you all enjoying a day at the footy in 2024. Yours sincerely,

Haydn Brown,  
President
